This guide may be used by PHCC students, who are planning to transfer to SRU and not certain of their academic major. The guide corresponds with the Liberal Studies component of the SRU curricula. PHCC courses that will transfer to Liberal Studies are listed under each category. Students pursuing a Program-to-Program Articulation agreement (P2P) should follow that specific agreement and not this guide. Students, who know their major but are not enrolled in a P2P, should direct questions to an SRU transfer counselor.
