SCHOOL OF BUSINESS AT SRU

The vision of the School of Business at Slippery Rock University is *Success Starts Here!* The School of Business is committed to providing the foundation students need as they start their career path. An integrated curriculum coupled with opportunities for students to be engaged both inside and outside of the classroom provides students with the crucial connection to success in both the private and public sectors of our economy.

INTERNSHIP OPPORTUNITIES

The SRU School of Business has a thriving internship program dedicated to giving students the opportunity for hands-on learning in actual business settings. Internship credits can be used to fill elective requirements in every major. Internships are excellent opportunities to impress potential employers while learning your craft.

CAREER OUTCOMES

Recent graduates have found careers in the public and private sectors in areas such as public accounting, financial analysis, commercial and investment banking, human resources, international management and sales, and a host of other professions. Many of our graduates pursue advanced education training with great success.

STUDENT ORGANIZATIONS

Students are encouraged to participate in one of the many student-managed clubs and honoraries hosted by the School of Business. Student organizations provide students with leadership skills, networking skills and teamwork skills, opportunities to meet and engage professionals in their field, attend conferences, take field trips and enjoy social functions with their peers. Student organizations include:

- Alpha Kappa Psi - A professional co-ed business fraternity
- American Marketing Association
- APICS - The Association for Operations Management
- Economics and Finance Club
- Omicron Delta Epsilon - An International economics honorary
- Rock Solid Investment Club
- School of Business Roundtable
