

President's Award for Scholarly and Creative Achievement

Nomination Procedure

1. Each department may select one faculty member per category to submit a one-page application describing his or her scholarly or creative work to the College Dean, and why the candidate believes that the work is worthy of the award by **Monday, December 7, 2020**.
2. The scholarly or creative work must be included in the application along with two supporting letters or documents. Inclusion of an external letter or document is encouraged but not required. Supporting letters or documents may include, but are not limited to, such things as published reviews, expert testimony, juried exhibits, and newspaper reviews of performances and exhibits.
3. The department will then use a process that addresses the criteria below and choose one applicant.
4. The candidate's application is submitted to the Dean of the College, or appropriate manager.
5. Each College will identify a process for forwarding one candidate from the College as its representative.
6. The Dean of the College, or appropriate manager submits one candidate from the college to the university selection committee.

Criteria

The nominee must submit:

1. Only those works published, presented, developed, or performed in the last three years (November 2017-November 2020) as a member of the Slippery Rock University of Pennsylvania community will be considered. Software development and other forms of scholarship in addition to publications are permitted.
2. Individuals are limited to one submission in each category--scholarly or creative achievement.
3. The application must be complete to be considered.

Acknowledgment

A recognition plaque is presented by the President at a Celebration of Achievement event. The winner will receive \$1000 in professional travel funds.
