

# Spring 2025 Final Examination/Special Class Schedule

## May 06-May 10

All classes will meet at the times assigned below for a double class period OR a final examination. The decision to give a final examination remains with the individual professor; but if a final examination is to be given, it is expected it will be administered according to the accompanying schedule. NO FINAL EXAMINATIONS are to be administered prior to May 06. In addition, it is expected that the decision regarding the examination will be conveyed to students with other materials at the first or second class meeting. All grades are due by 3 p.m., Tuesday, May 13, 2025.

### Online Course Final Exams

- Online course final exams may be administered at the discretion of the instructor, but if an instructor chooses to make use of a final exam, it should still take place during finals week.
- Instructors of sections taught exclusively online who wish to give a timed final exam should select a 24 hour period within the final exam week (excluding Sunday) in which to make the exam available. Up to a 2½ hour period can be used for timed exams.
- Instructors of sections taught exclusively online who wish to give a non-timed final exam should select at least a minimum of 48 hours and up to the entire period of finals week (excluding Sunday) in which to make the exam available.
