KEY	
<b>F1</b>	Only first semester freshman may add
<b>F2</b>	Only first year freshman (1st two semesters) may add
<b>S1</b>	Can declare up to Sophomore I status (45 credits)
<b>A</b>	Student must audition for admission into their Academic Major
<b>*</b>	Undergraduate students wishing to obtain Secondary Ed Teacher certification(s) in these majors may do so only at the Graduate level. Students planning to pursue one of these M.Ed. Secondary Ed options should select the PX code in the Pre-Professional Advising Areas chart to meet pre-requisite requirements for an M.Ed. program.

**IMPORTANT:** Typically, a second major may not be declared within a student's first major department. Check with the Office of Academic Records & Registration for exceptions. Students wishing to receive a second area of teacher certification may or may not have to meet the requirements of a second major. Please make sure you know whether or not you are declaring a second major or second concentration within your first major.

**It is the student's responsibility to obtain the signature(s) required on this form** and to see that it has been submitted to the Office of Academic Records & Registration, Room 107, Old Main before the change of major/concentration/pre-professional advising area will be noted as part of the University's official record.
