

# Downloading Kurzweil

---

It is your responsibility to download Kurzweil 3000 prior to accessing your textbooks. It may take up to an hour to download the software, depending on the speed of your computer.

## **Kurzweil for Windows:**

1. Navigate to this website <http://www.kurzweiledu.com/k3win>.
2. Select the latest version of the **subscription/web license** software (at the top of the list of versions) and download it to your computer.
3. Follow the Kurzweil 3000 Install Shield Wizard instructions.
4. Once installation is finished, **do not restart** your computer.
5. Select the **North and South American Voices** file from the above website and download.
6. **Restart** your computer once **both** the software and voices file have been downloaded.

## **Kurzweil for Mac:**

1. Navigate to this website <http://www.kurzweiledu.com/k3mac>
2. Select the latest version of the **subscription/web license** software (at the top of the list of versions) and download it to your computer.
3. Open the Installer and drag the Kurzweil 3000 application icon to your **Applications** folder.
4. Select the **North and South American Voices** file from the above website and download.

## **Kurzweil for iPad:**

1. Search for **Firefly k3000** in the app store.
2. Install on iPad.
