

## Application for Student Teaching

1. **One year before you plan on student teaching, complete the Application for Student Teaching.**
2. Log into MySru.
3. Click on the "Academics" Tab.
4. Scroll down until you see the "Create Application (Student Teaching)."
5. Click on the link to create your application.
6. Complete the semester (spring or fall) and year you will be student teaching.
7. The application will show your information. Please verify that all information is correct and that your correct test scores are showing.
8. In order to complete the application process, you must print the page and take it to your academic advisor for review. After the application is reviewed by your advisor, your advisor will sign the application.
9. Once you have the signed application, submit the application to the College of Education Dean's Office, 105 McKay to complete the process.
10. Once you have submitted your application online, you will not be able to apply again. You will only be able to view your student teaching application. If you need to make a change in the semester that you will student teach, you must stop into the College of Education Dean's office to make the change.
11. If you want to know what PAPA, PECT, or Praxis scores are on file, you should look at the "Test Scores" section on your Rock Audit.
