Based on data collected from student GPAs and SAT scores, some students may be considered more "at risk" of earning a "C" or below in Math 210, Math 310, ENG 102, and ENG 104. Use the following flowchart to determine if you are at risk. If you are at risk, please use tutoring services. https://www.sru.edu/academics/academic-services/academic-support
Even if you are not "at risk" as defined by these data, please seriously consider using our tutoring services so that you set yourself up for success in these challenging courses.

Is the student at risk for getting a C or lower in Math 210 What is the student's GPA What is the student's Math SAT 3.38 or below above 3.38 474 or below above 474 good good Risk Risk Is the student at risk for getting a C or lower in Math 310 What is the student's GPA What is the student's Math SAT 3.30 or below above 3.30 461 or below above 461 good Is the student at risk for getting a C or lower in ENG 102 What is the student's GPA What is the student's Verbal SAT 2.98 or below above 2.98 465 or below above 465 good good Is the student at risk for getting a C or lower in ENG 104 What is the student's GPA What is the student's Verbal SAT 2.90 or below 467 or below above 2.90 above 467
