

Clearances

The term “field experiences” denotes the entire range of in-school experiences, including structured observations in early field, course-related field experiences, and student teaching.

Note: No student may enter a school to conduct any of these types of “field experiences” without having clear, up-to-date clearances on file at Slippery Rock University. For the latest information on PDE requirements please see:

- Clearances must be less than 1-year-old at the start of the experience (and for some placements, they may not be more than 1-year-old during the entire experience---see course instructor for details)
- Clearances **MUST** be submitted to the College of Education via our secure electronic server or physically on file at SRU prior to entering the schools (see course instructor for details)

Clearances with Infractions: Teacher Education candidates with any type of record, on any clearances, will require a meeting with the COE Dean, Assistant to the Dean, and Chairperson of your department.
