

Dear Incoming Student,

Taskstream by Watermark is an online platform that education students use for planning lessons, creating portfolios, housing artifacts and submitting assignments, among other things.

Incoming freshmen, transfer and graduate students are required to purchase a subscription to Taskstream by Watermark for the years they are enrolled in a program leading to initial teacher certification at Slippery Rock University and are encouraged to maintain the subscription for an additional two years after graduation.

As of August 2018, Taskstream pricing* is as follows:

- One-year subscription for \$50.00
- Seven-year subscription for \$139.00

* Set by Taskstream by Watermark and subject to change

More information will be provided to students by College of Education faculty regarding the acquisition and use of Taskstream by Watermark. Students are encouraged to talk with their academic advisor about this policy or contact the Dean's office for further clarification.

Sincerely,
