

TEACHER CANDIDACY

BASIC SKILLS

Helpful Tips

- Free retake vouchers are available under Phase II at the “Four Phases of Teacher Education” page at sru.edu.
 - (Each student gets a limited number of free retakes).
- If you struggled in MATH 210, or got a low B, consider taking the Core or PAPA tests in case you don’t get a B in MATH 310.
- For ENGL 102, ENGL 104, and MATH 210/310, transfer courses will not count.
- More students have an easier time passing the ETS Praxis Core exam than the PAPA.
- If you are unsure if your SAT/ACT scores qualify, use the composite score calculator available under Phase II at the “Four Phases of Teacher Education” page at sru.edu.
