GRADUATION REQUIREMENTS

Students must meet the following requirements in order to graduate from the Doctor of Occupational Therapy Program:

- Successfully complete all Occupational Therapy Program didactic courses, level I and level II fieldwork experiences and the doctoral capstone (a total of 115 credits). Please see <https://catalog.sru.edu/graduate/health-professions/occupational-therapy/occupational-therapy-dot/#curriculumguidetext> for course descriptions.
- Earn a cumulative Occupational Therapy Program GPA of 3.000 or better. Courses that are repeated by a student will have the most recent grade used to calculate cumulative OT Program GPA.
- Be in good professional standing.
- Successfully pass all scheduled program written and practical competencies.
- Meet all financial obligations to the university prior to graduation.

STATUTE OF LIMITATIONS:

All requirements for doctorate degrees must be completed within a four-year period beginning with the first graduate course taken at SRU. The student's academic dean may extend this period upon written request from the student for justifiable reasons. This request must be supported by the Program Director before submission to the academic dean.
