Comments: The table reflects cohort attrition which includes withdrawals, dismissals, and decelerations for academic and non-academic reasons. Decelerated students move from one cohort to another and complete the program within a new cohort.

The cohort of 2023 began with 40 new students and one joining from another cohort for a total of 41 students who matriculated. The cohort of 2024 began with 48 new student and one student entering from another cohort. 4 students withdrew during the didactic year alone. The cohort of 2025 began with 51 new students and one entering from another cohort.

.

*Attrition rate calculation: Number of students who attritted from cohort (decelerated + withdrawals + dismissals) divided by the (entering class size + number joining class cohort).

**Graduation rate calculation: Number of cohort graduates divided by the (entering class size + number joining class cohort).
