

## Food and Drink Policy at Bailey Library

Welcome to our library! Please respect our food and drink policy, and help us to preserve our resources, maintain a pest and clutter free environment, and support recycling efforts.

### **Keep a lid on it!**

We do allow some types of foods and drinks in certain areas of the library. For most areas, please eat non-messy or non-aromatic foods, and keep a lid on all drinks!

### **Keep it clean!**

Please clean up messes, and throw away non-recyclable items in trash cans. Place recyclables in marked bins.

### **Keep it safe!**

Food and drink can pose a potential risk to library collections, equipment and furnishings. For the safety and preservation of these items/areas, we do not allow food or drinks at computer work stations, and in the Special Collections and University Archive rooms on the 3<sup>rd</sup> floor.

Please look for the symbols below in the library areas to help determine what is allowed.
