International Exchange Student
Estimated Cost of Attendance 2026-2027

All international applicants that require either an F-1 or J-1 visa for entry to the United States must verify finances. This is not used to determine academic qualification for admission but must be satisfactorily documented for the issuance of the Forms I-20 or DS-2019 that are used to obtain a student visa through the U.S. Consulate.

Applicants must submit a certified original bank statement indicating that sufficient funds are available for the intended length of study. If the bank statement is not your own, the sponsor must complete the SRU Financial Affidavit form. Personal Affidavits are NOT acceptable. Below are the estimated costs by exchange agreement.
