EXEMPT	Beginning Algebra	
--------	-------------------	--

IMPORTANT CURRICULUM GUIDE NOTES

This Curriculum Guide is provided to help SRU students and prospective students better understand their intended major curriculum. Enrolled SRU students should note that the My Rock Audit may place already-earned and/or in progress courses in different, yet valid, curriculum categories. Enrolled SRU students should use the My Rock Audit Report and materials and information provided by their faculty advisors to ensure accurate progress towards degree completion. *The information on this guide is current as of the date below. Students are responsible for curriculum requirements at the time of enrollment at the University.*

★	Course may have a prerequisite. See Undergraduate Online Catalog.
◇	Course can be counted as a Rock Studies Requirement, but earns credit only once toward your 120-credit total.
^	Course counts for 50% of Major requirements and Major GPA
~	Course counts for 50% of Major requirements but not for Major GPA
PASSHE = Pennsylvania State System of Higher Education Institution	

Co-curricular and Experiential Learning

Students are encouraged to explore additional curricular and co-curricular opportunities. There is a strong correlation between long-term student success and participation in the following types of programs and activities:

1.	Conference attendance
2.	Service-Learning
3.	Internships
4.	Career Education
5.	Peer Education Opportunities

MAJOR REQUIREMENTS (61 credits)

- 30 major credits must be taken at SRU or PASSHE
- 30 major credits must be taken at the 300 level or above

Course	Title	Cr
Required Courses in Public Health (36 credits)
