

BC3 to SRU – Transfer Credit Guide

CHEMISTRY

This guide may be used by BC3 students, who are planning to transfer to the Chemistry program at SRU. The guide corresponds with the Rock Studies (general education) component of the SRU curricula and additionally provides some major-related course suggestions. Students planning to complete the Program-to-Program articulation agreement, should follow that associate degree planner. Questions regarding this information should be directed to an SRU transfer counselor.
