OTHER TRANSFER COURSES			

Students are responsible for the curriculum requirements at the time of enrollment at SRU. Because the curriculum may change from the point of beginning community college classes to enrolling at SRU, it is recommended that students occasionally consult with an SRU transfer counselor.

Because of the uniqueness of the Safety Management courses, it is strongly recommended that students complete no more than 30 credits prior to transfer.

Transfer Students must have a minimum 2.25 cumulative GPA to be offered admission into Safety Management.
