

CCBC to SRU – Transfer Credit Guide

**BIOLOGY – BA or BS-Professional**

This guide may be used by CCBC students, who are planning to transfer to the Biology program at SRU. The guide corresponds with the Rock Studies component (general education) of the SRU curricula. Students pursuing a Program-to-Program Articulation agreement (P2P) should follow that specific associate degree curriculum, not this guide. SRU offers numerous Biology programs. Questions regarding these programs or the information below should be directed to an SRU transfer counselor.
