

HACC to SRU – Transfer Credit Guide

EXERCISE SCIENCE

This guide may be used by HACC students who are planning to transfer to the Exercise Science program at SRU. The guide corresponds with the Rock Studies component of the SRU curriculum. It is strongly recommended that students complete no more than 30 credits, prior to transfer to SRU. Questions regarding this information should be directed to an SRU transfer counselor.

Transfer students must have a minimum 2.75 cumulative GPA to be offered admission into Exercise Science.

It is strongly recommended that students complete no more than 30 credits prior to transfer.

Students are responsible for curriculum requirements at the time of enrollment at SRU. Because curriculum may change from the point of beginning community college classes to enrolling at SRU, it is recommended that students occasionally consult an SRU transfer counselor.
