Because of the uniqueness of the Sport Management courses and the order in which they are completed, it is strongly recommended that students complete no more than 30 credits prior to transfer.

Transfer students must have a minimum 2.5 cumulative GPA to be unconditionally offered admission into Sport Management.

Students are responsible for curriculum requirements at the time of enrollment at SRU. Because curriculum may change from the point of beginning community college classes to enrolling at SRU, it is recommended that students occasionally consult an SRU transfer counselor.
