

Montgomery County Community College to SRU – Transfer Credit Guide

This guide corresponds with the Rock Studies component (general education) of the SRU curricula and provides Montgomery course suggestions for each area. Because this guide is generic, students should review their Montgomery course plans with an [SRU transfer counselor](#), as some majors may prescribe specific courses in the categories below.

Those pursuing a Program-to-Program Articulation agreement (P2P) or an individual articulation agreement with Montgomery should follow that specific associate degree curriculum, not this guide.
