

TUITION & TECHNOLOGY FEES

Tuition is based on your credit load and residency status. Full-time tuition is based on a credit load of 12-18 credit hours for an undergraduate student. Graduate students are charged by the credit, no full-time rate. Students registering for credits in excess of the maximums will be charged for each additional credit at the current rate. Tuition for students taking summer classes will be charged by the credit hour. The Technology Fee is implemented by the Board of Governors of the State System of Higher Education, this fee enables the university to invest in instructional technology by upgrading computer labs and classrooms and providing other technological enhancements. (Fee set by the Board of Governors).

OTHER FEES

HEALTH SERVICES FEE

\$172.50 Full Time rate

This fee supports the student health program, which is available to all students at no additional cost during the academic year. Physicians, nurse practitioners and registered nurses provide a comprehensive program including office visits for illness and injury, medication such as antibiotics, preventative care including physical exams, walk-in care, mental health crisis care coordination, nurse observation and overnight care, and campus-wide health education including peer education. The fee also covers response for public health concerns including immunization compliance and communicable disease.

STUDENT CENTER FEE

\$210.50 Full Time rate

The State System of Higher Education requires that student unions be funded through a student fee. The Student Union fee provides for the fiscal support of Student Union programs, services, and operations including maintenance, utilities, staffing, equipment, and special activities and events.

STUDENT ACTIVITY FEE

\$202.55 Full Time rate

Collected from all students and administered through the Student Government association under regulations approved by the Council of Trustees, this fee helps defray the cost of athletic events, lectures, movies, entertainment, and publications; and to support student organizations and the campus shuttle bus. The fee will be 5.25 % of the in-state tuition.

ACADEMIC ENHANCEMENT FEE

\$385.80 UG Full Time / \$77.40 per credit Grad In State / \$116.10 per credit Grad Out of State

This fee is for the purpose of supporting academic activities that enhance and extend the instructional activities of the class, for course credit both on-campus and off-campus. The fee is calculated as follows: Undergrad Students 10% of in-state tuition, Graduate Students: 15% of tuition

RECREATION COMPLEX FEE

\$110.00 Full Time rate

Students voted to establish this fee, beginning in the fall semester of 1994, to fund the construction and operation of the new Aebersold Student Recreation Center. This fee also includes access to the Russell Wright Fitness Center located in the recreation center. The fee is \$9.20 per credit hour.

STUDENT LIFE ENHANCEMENT FEE

\$5 per credit Undergraduate rate / Not charged for Graduate Students

This fee is for the purpose of support student life activities that enhance and extend the traditional co-curricular, outside of the classroom, activities, including prior fees for transcript and graduation.

STEM-H FEE

\$90 for level 100/200, \$30 per credit for 300/400 level

The STEM-H Course lab fee is a differential fee for specific high-cost/high-demand undergraduate Science, Technology, Engineering, Mathematics and Health courses. This fee will be used to provide the student with high quality laboratories, clinical practice, internships, and academic equipment.

ENGINEERING FEE

\$80 per credit

The engineering fee is a differential fee for specific high-cost/high-demand undergraduate Engineering. The fee is assessed at \$80 per credit for engineering course areas. This fee will be used to provide the student with high quality technology and academic equipment.

BFA ACTING FEE

\$230 per term

The BFA Acting fee supports the delivery of quality high-impact experiences such as the senior showcase, guest artists, individual lessons, and public performances. It is used to provide each BFA Acting student with top-notch, professional training at a nationally-accredited institution.

MUSIC PROGRAM FEE

\$30 per credit, max of \$350 per term

The music program fee is used to support the Music Department to offset the high expense of applied lessons with nationally recognized instructors, as well as support small class sizes that are inherent in a music program. The fee is assessed to all undergraduate music majors at \$30 per credit, for a maximum of \$350 per term.

DIDACTIC FEE

See Physician's Assistant Tuition Chart for Details

The Didactic fee is incurred during the first three semesters of the Physician Assistant program. This fee is utilized for laboratory support, student professional growth, professional memberships, activities, drug screens, certification fees, IDs and board preparation.

CLINICAL FEE

See Physician's Assistant or Occupational Therapy Tuition Chart for Details

The Clinical fee is incurred during the final three semesters of the Physician Assistant and Occupational Therapy programs. This fee is utilized for clinical experiences/clinical sites, professional memberships, activities, drug screens, certification fees, IDs and board preparation.
