

Healthcare Professional Burnout and Organizational Wellness Cultures

Join Mr. Michael Grace on October 6th from 5-6 pm (via Zoom) as he discusses his research and experiences around one of the greatest challenges facing healthcare workers today.

ZOOM: <https://sru.zoom.us/j/91667266481>

Webinar ID: 916 6726 6481

Mr. Michael Grace, EdDc., MBA, FACHE - Class of 1992

After graduating from Connellsville Area High School, Mr. Grace earned a bachelor's degree in health care administration from Slippery Rock University and a master's in business administration from California University of Pennsylvania. He and his wife of 21 years, Patricia, live in Connellsville and have a son, Tanner, at Villanova University.

Mr. Grace began his career with Frick Hospital (Excelsa Health), and went on to serve as Vice President of Operations at UPMC Shadyside, UPMC's Executive Administrator of the Children's Hospital Department of Pediatrics, and as Administrative Services and Physician Relations Director for the UPMC Physician Services Division. He is now President of Mercy Hospital, one of UPMC's flagship facilities, and is a doctoral candidate for his degree in Organizational Change and Leadership with USC.

This event is sponsored by: Future Healthcare Leaders students association and Slippery Rock University's Health Care Administration and Management program.
