Proxy: Confirmation to Activate Account

Proxy (Parent/Legal Guardian) must access their own email to activate authorization given by the student.

**NOTE:** Proxy has 3 days to activate, otherwise the student will need to resend

Proxy (Parent/Legal Guardian) will receive 3 emails on becoming a Proxy.

Added proxy will receive an email with a URL hyperlink in an email titled: Updated proxy relationship

Bookmark the URL provided for future use.
Proxy: Confirmation to Activate Account

• Proxy will receive an email with a temporary password in the email titled: New proxy confirmation

  New proxy confirmation
To: Jane Smith (jan smith@test sample.com)

You should have already received an email with the proxy access URL. The initial password to log in is
The first time you connect to the web site you will be asked to establish a permanent password for subsequent logins.
Password must be numeric with 8 to 15 digits.
We also ask that you fill in your profile information completely and confirm that it is up to date.

• Proxy will click on link received in the email titled: New proxy identity
• Enter Temporary Password
• Click Submit
Proxy: Password

- Authorized proxy must reset the Password by entering their email address, temporary password used to log-in, and create a new password.
- The use of the password is to view the Student Account information online. If the Proxy wishes to verbally discuss information with University Staff, they will require a Passphrase (pg. 8)
- **Password must be numeric only and 8-15 digits long**
The Proxy will now be asked to login with their username (email address) and their chosen password.
Proxy: Logging In

Next, the Proxy will be prompted to enter a one-time password that will be emailed to them. If the proxy does not receive an email, they should click the “Request a new one-time password” link.
Proxy: Logging In

The one-time password will be emailed to the Proxy with the subject link “New Proxy OTP Code.” Enter this code in the “One-Time Password” field.
The next screen may show the following window if this is the first time the proxy has accessed the portal. Dismiss the prompt by clicking either button.

Proxy: Accessing Authorized Pages

Proxy will be able to select from the drop down menu what they wish to view based on the authorization of information set by Student.

If Proxy needs to update personal or contact information, click here. Make necessary updates. Click Submit.
Proxy: Passphrase

- The Passphrase is used when a Proxy (Parent/ Legal Guardian) wants to call and discuss information with some University Staff.
  - For example - Academic Records & Registration Office, Student Accounts, Financial Aid.

- The student must assign a Passphrase to the Proxy under Proxy Management. The student can provide Proxy’s the Passphrase verbally or through an automated email titled: Send updated proxy passphrase. Sample Below:

  Send updated proxy passphrase

  To: Emily Shaffer (janesmith@testsample.com)

  Jane Smith has established the following passphrase for you to use when you are corresponding with Slippery Rock University:

1. What is Self-Service Banner?
   Self-Service Banner is the self-service (Web-based) product used by students, faculty, staff and advisors. A secure web product, Self-Service Banner retrieves and records data directly to and from the Banner database, based upon the user’s role in Banner. All information is live and in real time. Self-Service Banner provides information in an easy-to-read format that is available from any computer connected to the Internet.

2. Which browser do I use?
   If you run on Windows (PC) use Internet Explorer, Firefox, or Chrome. If you run on Mac use Firefox or Safari.

3. As a student, how do I access Student Self-Service Banner?
   Click the MySRU Icon located in the top right hand corner of Slippery Rock University’s homepage.
   Policy prohibits access to the system by anyone other than the authorized user.

4. Is there a time limit on Student Self-Service Banner (SSB)?
   Yes. Self-Service Banner (SSB) will timeout after 60 minutes.

6. If my student status is “inactive,” will the proxy (parent) have access to student records in the Parent Portal?
   No, once the student is coded as “inactive,” access to all student information is deactivated.

7. As a student, can I change the Stop date of the proxy?
   Yes. If the end date is updated, it will be an overnight process.
8. As a parent, how do I change my password?
   Located on the Parent Profile page, there is an link to change your password.

9. As a proxy, what if I do not receive my email to activate my account?
   Contact the student assigning you as proxy. The student will need to access their Communication tab within the proxy management and resend the email to your email account.

10. As a proxy, how much time do I have to set up my account once I receive my “New Proxy Identity” email?
    The encrypted link in the email you receive has a limited timeframe – 3 days. If the proxy does not set up within 3 days, the student must resend the email labeled “New Proxy Identity”. The student can locate the email under the Communication tab in Proxy management.

11. As a proxy, where do I locate the link to login to view my students’ information once I have set up my account?
    http://www.sru.edu and click on the Family link at the bottom of the page
    OR
    http://www.sru.edu/family/parent-portal
    Click on Parent Portal on left hand side of page
    Locate ACCESS PARENT PORTAL at the bottom of page and click on the “click here” link for login screen.
