

CAREER RESPONSIBILITIES

Music is a phenomenon common to all societies, and is a richly diverse experience. Music can be a form of communication, artistic expression, entertainment, therapy and worship. At Slippery Rock University, students can focus on education, therapy, performance, or a combination of these majors. Students studying music will develop performance skills, and an appreciation for their musical heritage.

Skills Associated with Music Majors:

- Concentration
- Self-expression, creativity, flexibility, and imagination
 - Ability to meet deadlines
 - Critical observation skills
 - Self-discipline and dedication
- Appreciation for beauty and music
- Ability to adapt to public scrutiny and/or criticism
