Dear Colleagues:

While I have no urgent news to report today, I'd like to share some "Good News" with everyone.

Recently, four of our students – Haley Potter, Ronald McNerney, Hannah Shumsky and Ian Swartz – were recognized at a national broadcasting association convention. While they weren't able to travel to the convention, the recognition speaks to the great work our students, and the faculty who instruct them, are doing. Congratulations to everyone. In closing, I hope all is well with you and your loved ones. Please take care of yourselves as we take care of our students.

Best,

Bill
