

April 27, 2020

Dear Colleagues:

Today, I'd like to take a moment to recognize faculty and students for their outstanding contributions in areas of academics, research, scholarship, creative activities and more. In previous years, we noted their achievements at a campus gathering. Due to the coronavirus pandemic, this year's Celebration of Achievement will come in the form of a video presentation, rather than an in-person ceremony.

This change does not diminish the tremendous achievements of this year's group of honorees.

In addition to SRU's finalist for the Syed R. Ali-Zaidi Award for Academic Excellence, the video recognizes the Presidential Undergraduate Scholars; Outstanding Students in Research, Scholarship or Creative Activity; Outstanding Student Academic Leader Awards; Service Leader Awards; Global Engagement Awards (International and Domestic); First Year Leader Scholar Program Board of Governors Scholarship recipients; as well as faculty winners of the President's Awards for Scholarly and Creative Achievement and Excellence in Teaching.

I invite all of you share in the celebration by [clicking here](#). A link to the video appears at the top of the page.

Congratulations to one and all.

Best,

Bill
