Hello curious people!

Guitar Club meets up once a week to share techniques, songs, and ideas with other student musicians here at SRU. We actively seek out group/individual performing opportunities on campus and locally for any members that want to see what its like to be on stage. However, performing is not mandatory!!!! Other instruments are welcome, and we have a couple guitars that you could borrow during meetings(we are working on getting more).

During a typical meeting we will:

- 1.) Practice for any group performances coming up.
- 2.) Have "Musical free time" where we play whatever we want individually, help out anyone that is just learning, pair up with others and jam, etc.
- 3.) Support anyone who wants to practice a performance in front of the entire club.
