

WiFi - Connecting to SRU-Guest

VISITORS/GUESTS – for those who do not have an SRU user name and password

- Connect to SRU-Guest (unsecured)
- Enter name, email address, phone number and service provider
- Place check mark to agree to terms
- Click on Complete Registration (Please only click once)

The screenshot shows the registration form for Slippery Rock University's SRU-Guest network. At the top, there is a header with the university logo and a navigation bar with 'Log In' and 'Cancel' buttons. Below the logo is a section titled 'Acceptable Use Policy' with a checkbox for 'I agree to the Acceptable Use Policy*'. The form contains several input fields: 'First Name*', 'Last Name*', 'E-Mail Address*', 'Phone Number*', and 'Mobile Service Provider*' (with a dropdown menu showing 'AT&T'). A 'Complete Registration' button is located at the bottom of the form. A note at the bottom of the form reads: 'Please press the Complete Registration button only once.'

The screenshot shows the verification code entry screen. It features the Slippery Rock University logo and a message: 'Welcome to the SRU Guest Wireless Network. Please check your email or phone and enter in the verification code that was sent to [redacted]@sru.edu and 412-[redacted]'. There is a 'Verification Code*' input field, a 'Complete Registration' button, and a 'Cancel' button. A note at the bottom states: 'Please press the Complete Registration button only once.'

- Enter the verification code received on your phone.
- Code may take several minutes to be received
- Click on Complete Registration (Please only click once)

- If a text message does not arrive immediately, check the email you entered during the registration process

- Note: You may need to click on the Slippery Rock University link to access the network
