* Cohort headcounts are adjusted for allowable exclusions (such as military obligations, religious reasons, service in the Peace Corps, or the student is deceased). As a result, calculations using displayed headcounts may produce percentages that differ from the actual rates reported.

** Cohort headcounts are adjusted for reported ethnicity changes. Currently only graduation rates are affected by this adjustment.

There are five or fewer students in this category. SRU is not required to disclose this information in accordance with Student Right to Know regulations.
