Focus on
Diversity,
Equity, and
Inclusion

8:30 – 10:00 am: Workshop #1 DEI From the Inside Out

This workshop will invite participants to develop a greater understanding of your own positionality, promote greater self-awareness, and explore how to continuously leverage what you've learned to positively impact your professional activity.

10:15 – 11:45 am: Workshop #2 DEI Next Steps: Making a Difference for Your Students

With a new level of self-understanding, we will explore specific actions faculty can take to promote DEI in their work with students inside and outside of the classroom.
