ePermitting: Slippery Rock University now uses a license plate recognition system that no longer requires a physical decal to be placed on your windshield. An ePermit is the registration of your license plate, meaning your license plate is now your decal. Purchasing SRU student/staff ePermits, filing appeals, paying parking citations and managing your parking information can be completed on our mobile-friendly website, www.sru.edu/parking, or by visiting the Parking Office located at 102 University Union, Monday through Friday, 8 a.m. to 4 p.m. It is highly recommended to sign up for Parking Alerts by providing your cell phone number when registering your vehicle in the parking ePermit portal. Parking Alerts will provide valuable parking updates via text messages. Parking Alerts are separate from the University's Campus Alerts system. Citations will be emailed to you with a valid email address, or if one has not been provided, the citation will be mailed to you by U.S. Postal Service.

SRU Police utilize a license plate recognition system, it is unlawful to back in or pull through any parking space on University property. Your license plate must be visible at all times and will be strictly enforced.

When parking in non-MC spaces you must be in the correct designated space (resident, commuter or staff).

Owners of disabled vehicles on campus must report to the University Police Department and apply for a Special ePermit. The ePermit is required if your vehicle is disabled on University property or in a non-designated area. Disabled Vehicle ePermits will be issued for no longer than 48 hours.
