ePermitting: Slippery Rock University now uses a license plate recognition system that no longer requires a physical decal to be placed on your windshield. An ePermit is the registration of your license plate, meaning your license plate is now your decal. Purchasing SRU student/staff ePermits, filing appeals, paying parking citations and managing your parking information can be completed on our mobile-friendly website, www.sru.edu/parking, or by visiting the Parking Office located at 102 University Union, Monday through Friday, 7:30 a.m. to 4 p.m. It is highly recommended to sign up for Parking Alerts by providing your cell phone number when registering your vehicle in the parking ePermit portal. Parking Alerts will provide valuable parking updates via text messages. Parking Alerts are separate from the University's Campus Alerts system. Citations will be emailed to you with a valid email address, or if one has not been provided, the citation will be mailed to you by U.S. Postal Service.

New Spring 2020 parking and traffic regulation: Due to the new license plate recognition system, it is unlawful to back in or pull through any parking space on University property. Your license plate must be visible at all times and will be strictly enforced

. All parking on campus is by ePermit only. Designated parking areas for resident, commuter, staff and visitor are available. Strict enforcement of designated parking areas will occur between 7:30 a.m. and 5 p.m., Monday through Friday. NO ePERMIT IS REQUIRED on major holidays (New Year's Day, Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas); Monday through Friday, 5 p.m. to 7:30 a.m.; and weekends from 5 p.m., Friday to 7:30 a.m., Monday. During these times, all designated parking lots are considered open to the public. Reserved or assigned spaces are not considered open to
