

HEALTH INFORMATICS

CERTIFICATE

DEPARTMENT OF COMPUTING AND SECURITY

COLLEGE OF ENGINEERING AND SCIENCE

DELIVERY METHOD

100% online

START TERMS

Fall or Spring

COMPLETION TIME

Complete in 8-12 months
depending on start term

NUMBER OF CREDITS

9 credits

Explore the crucial topics
at the intersection of
healthcare and technology
in our 9-credits
certificate program.

Gain essential knowledge
for advancing in the field.

ABOUT THE CERTIFICATE

The health informatics certificate offers students with healthcare industry experience the chance to earn a graduate-level certificate for those who wish to transition into a health informatics career. The certificate will teach current experienced healthcare professional the necessary skills and knowledge needed to advance their current career by learning how to understand and evaluate the central role of health information technologies, security and privacy requirements, and the identification and development of information technology plans for projects supporting a health care organization's objective. In addition, the certificate would encourage students interested in earning a Master of Science in Health Informatics and Information Management degree since the 9 credit certificate will be transferred to the master's program.

CERTIFICATE HIGHLIGHTS

SRU's Health Informatics Certificate offers:

- 100% Online and can be completed in 8-12 months depending on start term
- A 9-credit program
- Expert faculty with earned doctorates
