PROGRAM DESCRIPTION

The Athletic Training (AT) Graduate Program at Slippery Rock University is a combination of rigorous academic instruction and authentic clinical experience. The AT Graduate Program prepares proficient healthcare practitioners who will collaborate with other medical professionals to optimize the activity and wellness of patients and clients in sport, work, and life. Students are fully engaged in the science of athletic training focused on patient-centered injury and illness prevention, diagnosis, treatment, and care. Specifically, the SRU AT Graduate Program emphasizes a distinct concentration on advanced therapeutic rehabilitation interventions.

The AT Graduate Program is guided by the athletic training professional standards as well as the core program values of professionalism, respect, compassion, inter-professional education, evidence-based practice and student-centered learning. Students develop communication, collaboration, organization, teamwork, problem-solving and decision-making skills necessary for proficient practice with a diverse population.

Students successfully completing the AT Graduate Program are eligible to take the Board of Certification (BOC) Inc. examination. Graduates who pass the BOC examination are qualified to deliver quality healthcare in various employment settings such as high schools, colleges, professional sports, industrial, military and performing arts. Graduates are also prepared to contribute to the global medical community by reducing healthcare costs, improving healthcare accessibility, preventing and managing diseases, and promoting wellness.

Note: Individuals holding the BOC credential or are eligible to take the BOC examination are not candidates for the SRU AT Graduate Program.

PROGRAM HIGHLIGHTS

The AT Graduate Program is unique because:

- An established history and tradition of excellence in athletic training education with the undergraduate program that was founded in 1974 (1974-2020).
 - Continuous accreditation status from its inception without a single incident of probation
 - For the last decade, the SRU BOC first time pass rate has averaged 10% above the national first time pass rate
 - Forty-five scholarships awarded to students by the National Athletic Trainers' Association since 1991
- Essential opportunities are provided for intentional collaboration of learning and clinical practice with students in other healthcare programs at SRU.
- The SRU AT Graduate Program is structured to provide students with real-world learning experiences and clinical reasoning. For example, the knowledge and skills related to evaluation and rehabilitation were traditionally taught in separate courses. However, at SRU, essential professional knowledge and skills are integrated together into combined courses.
- The coursework emphasizes content in advanced therapeutic rehabilitation interventions.
- The graduate program is committed to providing diverse, authentic, and immersive clinical experiences.

ACCREDITATION

Slippery Rock University of Pennsylvania is accredited by the Commission on Accreditation of Athletic Training Education (CAATE).

PROFESSIONAL CERTIFICATION AND LICENSURE

All students successfully completing this program are eligible to sit for the Board of Certification (BOC), Inc. examination. Additionally, athletic trainers must hold licensure credentials in the state they practice. As regulations vary by state, please check the licensing board in your state.

PROGRAM CORE VALUES

Professionalism
Collaboration
Integrity

Authenticity
Student Centered
Respect
Patient-Centered

Inclusivity
Compassion
Excellence

RECOMMENDED COURSE SEQUENCE

The AT Graduate Program will require 57 credits of classroom courses and clinical experiences offered sequentially over four consecutive semesters and one summer to promote progressive, higher-order learning over time. Students will matriculate full-time in a cohort.

TWO YEARS - FULL TIME

SUMMER 1 (3 credits)	FALL 1 (18 credits)	SPRING 1 (18 credits)
ATTR 601: AT Foundations & Techniques I (3)	ATTR 602: AT Foundations & Techniques II (3) ATTR 603: Evidence-Based Practice in AT (3) ATTR 604: Clinical Anatomy and Kinesiology in AT I (3) ATTR 605: Lower Extremity Evaluation and Rehabilitation (6) ATTR 610: Clinical Experiences in AT I (3)	ATTR 606: Upper Extremity Evaluation and Rehabilitation (6) ATTR 607: General Medicine Concepts in AT (3) ATTR 608: Clinical Anatomy and Kinesiology in AT II (3) ATTR 609: Head and Spine Evaluation and Rehabilitation (3) ATTR 710: Clinical Experiences in AT II (3)

Major Code: 9MAT

Revised Date: 02.25.2021

PROGRAM OPTIONS

- Undergraduate students enrolled in an approved 3+2 Pre-Athletic Training major with prerequisite courses will apply for admission during the third undergraduate year and be able to complete the SRU AT Graduate Program in a fifth year (3+2). Students with earned degrees and prerequisites will apply for admission and complete the AT Graduate Program in two years (4+2).
- For a list of current partnership agreement (articulation agreement) institutions, visit www.sru.edu/at.

ADMISSION REQUIREMENTS

Applications will be accepted beginning July 1 until the cohort seats are full. All applications completed by November 15 will receive priority consideration for admission to the program. Admission requirements include the following:

- A minimum of a baccalaureate degree (4+2) or completion of the first three years of an approved 3+2 Pre-Athletic Training Concentration AND the following prerequisites (taken within the past 5 years):
 - Anatomy & Physiology I with lab (3-4 credits)
 - Anatomy & Physiology II with lab (3-4 credits)
 - Chemistry (3-4 credits)
 - Kinesiology or Biomechanics (3-4 credits)
 - Physics I with lab (3-4 credits)
 - Exercise Physiology (3-4 credits)
 - Nutrition (3 credits)
 - Psychology (3 credits; introductory, developmental or abnormal)
 - Statistics (3 credits)
 - Medical Terminology (at least 1 credit)
 - Biology (3 credits)
- A "C" or better in all prerequisite courses
- Official transcripts from any accredited college/university where credits have been earned - GPA of 3.0 or higher on a 4.0 scale. (Students with a GPA below 3.0 may apply for conditional admission)
- Two letters of reference:
 - One from an academic advisor or instructor
 - One from a healthcare provider; an athletic trainer is preferred
- Evidence of 50 hours of clinical observation/shadowing with an athletic trainer. You can upload your own documentation or use the one provided at www.sru.edu/at.

Notes:

- Upon formal admission to the program, the applicant is required to confirm the ability to meet the Technical Standards of the program. In addition, the student must provide: (1) valid proof of professional healthcare provider CPR/AED certification, (2) First Aid certification, (3) inoculations current with OSHA requirements for healthcare providers, and (4) criminal background checks prior to participating in clinical experiences.
- The SRU MSAT program utilizes a cohort model and does not offer advanced placement or accept athletic training graduate transfer credits.
- Regardless of citizenship, if you are a non-native English speaker, you may be required to submit scores that show proficiency in the English language.

TUITION & ASSISTANTSHIPS
