ADDITIONAL INFORMATION

The Teaching Online Letter of Completion is open to all business professionals, managers, trainers, and educators

Stay current with the latest pedagogical approaches in the field of teaching online.

Earning a Teaching Online Certificate will give you a competitive edge over peers in your field for being a well-trained virtual educator.

PROGRAM DESCRIPTION

Are you interested in learning more about creating or teaching an online course? Whether you are a business professional, manager, trainer, or educator, Slippery Rock University's Teaching Online, Certificate will give you the expertise, technical skills, and comfort level needed for delivering quality online education. The program is delivered completely online and can be completed in one summer and one winter term.

If you decide to further your education, SRU offers a Master of Education in Technology for Online Instruction. Courses in the Teaching Online Certificate will be transferable to the master's degree.

PROGRAM HIGHLIGHTS

SRU's Teaching Online, Certificate offers the following:

- Knowledge and skills to effectively teach through distance or cyber education, using technology as a resource for obtaining, evaluating, and disseminating content
- The ability to create authentic and meaningful learning experiences for online learners
- The tools to encourage students to utilize educational technology to locate reliable resources that can lead to a healthy and active lifestyle
- Classes taught by instructors with an expertise in online instruction
