MOVING IN

MAKE IT EASY FOR YOURSELF

If you live within a two-hour drive of Slippery Rock, you can make move-in day easier by just bringing the essentials including clothes to last two weeks. Sometime during those two weeks, you can either pick up the rest of your things on a trip home, or invite your parents to campus to take you out to dinner. By that time, you’ll have a good idea of what you really need from home and what can realistically fit into your room.
