ABOUT THE CAMP
Slippery Rock University Men’s Soccer program, under the director of SRU Men’s Soccer Head Coach Kevin Wilhelm announces the 2019 Boys’ High School and Player ID Clinic. The clinic aims to provide an environment that promotes and challenges campers to take their game to the next level, while giving them a chance to showcase themselves to the coaches in attendance. All sessions will be administered by college and professional coaches, who will take players through training sessions that will help develop them technically, tactically and mentally.

GOALKEEPER TRAINING: Goalkeeper-specific training will be offered during each session, with a focus on the technical and tactical aspects of the position.

INFORMATION
MEDICAL INFORMATION
SRU and the Slippery Rock University Foundation, Inc. do not provide medical insurance for campers. Athletes with special medical problems must notify the camp director. All participants who require medications must register those medications with the camp. SRU staff will not administer medications. Athletes must supply their own tape.

LOCATION AND HOUSING
The camp will be conducted on our four grass and turf training fields. Each suite is air-conditioned and includes a mini refrigerator and microwave oven. Each suite features a private bathroom including a shower for every two beds. Campers will have the chance to request (1) roommate during the registration process. A camp chaperone and Resident Assistant will be on site during the duration of the camp.

WHAT TO BRING
Campers should bring an adequate supply of shorts, T-shirts, socks, toiletries, sweat clothes, towels, pillow(s) and linens for a single bed (twin XL). Equipment should include: cleats, shin guards, mouth guard and water bottle. Gatorade will be provided at the fields.
