POLICY AND PROCEDURE NOTES:

- Students must earn a total of 42 credits in Rock Studies 2 coursework.
- Students exempted from any Rock Studies 2 category must still earn a total of 42 credits in Rock Studies 2 coursework.
- Students may use Rock Studies Thematic Thread courses to complete a second major, minor, or certificate.
- Pass/No Credit courses may not be used to satisfy any Rock Studies 2 Requirement.
- Students who withdraw from the university and then return are responsible for the Rock Studies 2 requirements in effect the time of their return.

GRADUATION REQUIREMENTS:

- All undergraduate degree programs require a minimum of 120 credits.
- Thirty of the final 60 credits prior to graduation must be earned at SRU. In addition, individual departments may establish residency requirements for their majors and minors. Students should check with their academic adviser to determine the requirements for the
- academic program.
- Students must complete a minimum of 42 credits of Rock Studies 2 Coursework.
- Students must complete 48 credits of upper-level courses with two or more 3-credit prerequisite courses (including sequential prerequisites, but not including basic competency courses or exams). At least 24 of the 48 credits must be completed at SRU.
- Bachelor of Arts degrees require language proficiency at the 103-class level. Exemption by placement or examination is offered.
- Students must complete at least 45 credits at SRU to be considered for Latin Honors at the point of graduation.
- Students who wish to earn two degrees must complete 150 credits, all requirements for both degrees, and meet the language requirement if one of the degrees is a BA. Students only need to meet the Rock Studies requirement for the first degree/major.

TRANSFER STUDENTS:

- New transfer students follow the Rock Studies 2 Program requirements beginning in Summer 2022.
- Transfer courses valued as a percentage: 2.33, 2.5, etc. may be used to meet requirements, however, students must still earn a total of 42 Rock Studies 2 credits.
- Students transferring 24 or more credits are exempt from Foundations of Academic Discovery.
- Transfer students must still earn a total of 42 credits in the Rock Studies 2 program, unless the criteria of general education completion is met as defined in the Board of Governors Policy 1999-01-A The Student
 Transfer Policy.

COMPUTER COMPETENCY:

All students at SRU must demonstrate computer competency through one of the following methods:

- Equivalent transfer coursework or successfully complete one of the following courses at SRU:
- CPSC 100 Introduction to Computing
- CPSC 110 Computer Concepts
- CPSC 130 Introduction to Computing and Programming
- PE 202 Technology for Wellness

• Pass the SRU Computer Competency Exam - CPSC 099

DIVERSITY, EQUITY, AND INCLUSION (DEI):

All students must complete a course with the "DEI Diversity, Equity and Inclusion" attribute before they graduate from SRU. The DEI course can come from any department and can be used anywhere in your degree requirements.

BEGINNING ALGEBRA (ESAP 110)

All students must demonstrate competency through MATH SAT or ACT scores or appropriate high school coursework. If competency is not met, students must complete Beginning Algebra and complete 123 credits for graduation.

READMITTED STUDENTS:

Students readmitted to the university follow the Rock Studies 2 Program requirements.

· Students with at least 24 or more credits are exempt from Foundations of Academic Discovery.

Update 10.12.2023
